

**ETF Portfolio Management (ETF PM)** is a financial advisor specialized in investing with exchange-traded funds (ETFs). We customize active and passive investment portfolios for each client account. Client accounts have daily liquidity, full transparency and online access through **Schwab**, and we do not charge a performance fee. Other custodians may be available upon request.

<u>ETF PM Strategy</u>	<u>Diversification</u>	<u>Short Capacity</u>	<u>Turnover</u>	<u>Annual Yield</u>	<u>Account Minimum</u>	<u>Advisory Fee</u>
